

ROHS DECLARATION OF CONFORMITY (DIRECTIVE 2011/65/EU)

European Directive 2011/65/EU (RoHS II) and subsequent amendments, including Delegated Directive (EU) 2015/863 (RoHS III), regulate the restriction of the use of certain hazardous substances in electrical and electronic equipment (EEE) placed on the EU market, in order to protect human health and the environment.

In reference to this Legislation, Valvorobica Industriale SpA declares that:

The products and components supplied by our company that fall within the scope of application of the Directive (in particular electrified components, actuators, and electronic devices) fully satisfy the requirements laid down by the regulations in force.

The conformity of such items is guaranteed through a rigorous qualification process of our partner suppliers and manufacturers, who certify compliance with regulatory limits through the relevant EU Declarations of Conformity and CE marking.

This declaration is issued under the sole responsibility of the undersigned company, based on documentary evidence and technical certifications provided by its supply chain.
